Drive down toward the lake of Zurich (direction Richterswil). At the roundabout (after approx. 150 meters) turn left onto Einsiedlerstrasse (direction Wädenswil). Drive through the woods and pass, after 1.8 kilometers, a small pond on your left. TaylorMade is located in the big olive green industrial building on the left. Enter the delivery entrance in the middle of the building and follow the signs up to the second floor.

Seestrasse, from Wädenswil

From the roundabout near Wädenswil train station drive in the direction of Richterswil until you cross over a railroad track (approx. 500 meters). Turn right on the next road, Einsiedlerstrasse. Follow this road up the hill and cross over another railroad track. 200 meters after crossing the tracks, on the right, is a big olive green industrial building where TaylorMade is located. (From bus stop to TaylorMade is a three minute walk).

Parking

If available, park on the delivery parking space ('Güterumschlag') directly next to the middle entrance of the building. If that's not available, park your car 50 meters up the road, in the new concrete parking structure, ground floor, parking spot nr. 63.
